No problem let me see what Phil has put together on the Non-Haz waters and I'll send over the rest of that.

I would like to see who all RFPs. We're sent to and then the final summary/evaluation of costs.  
Also the scope of work associated with the RFP.  
Scope and listing of proposed vendors receiving.  
Bid Evaluation Summary identifying the proposed selected vendor  
I would like to see this for everything that an RFP is sought.

Thanks

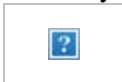

Gary

My plan is for that tank to be empty by the end of the week. Lonestar sent over a copy of the manifest late last night. I have a question into her for clarification on something and then I'll get it over to you for review. Once that is approved we can ship. I had told Demita yesterday I needed that tanker empty this week. Which bid summary are you wanting to see?

**Beth/Leroy:**

**I would like to begin the disposal of FT1001 this week. Can we do that?**

**Also, I would like to see the bid summary for this disposal as well.**
